This is a merge of the NOMIS (England & Wales) and NRS (Scotland) Workplace Population Density files from the 2011 Census. The original records are at https://www.nomisweb.co.uk/census/2011/wp102ew (https://www.nomisweb.co.uk/census/2011/wp102ew) and https://www.scotlandscensus.gov.uk/ods-web/data-warehouse.html#additionaltab (https://www.scotlandscensus.gov.uk/ods-web/data-warehouse.html#additionaltab).

A geofile for the UK (i.e. including NI) is also included. However, as NI has not released population counts for its workplace zones, these are not included in the datafile.
